Dear Mr. Kane:

This is to acknowledge your letter dated January 17, 1975 concerning berthing for the canoe.

Because of the many details attendant to berthing a craft of this type in Honolulu Harbor, may I suggest that you visit me at your convenience so we may discuss the details. I may be reached at [REDACTED]

Very truly yours,

Info on obtaining permits from City & County and State:

In both cases we need a certificate of minimum insurance coverage..... Public liability \$300,000.00 and property damage \$50,000.00.

If the canoe exceeds a width of 14 ft. according to City and County regulations we must transport between 1a.m and 6a.m.
