# Conditions of Sale

## Terms

Net cash 30 days from invoice date.

## Parts and Supplies

Due to patent restrictions and the need to maintain a sufficient supply for maintenance purposes, IBM sells standard field installable parts only for use in the maintenance and repair of IBM equipment. Modification and improvements in design may occur at any time and could affect future availability of any part. It is understood that the parts on this invoice are ordered by you for use in the maintenance and repair of IBM manufactured equipment.

Maintenance Parts listed on this invoice will normally consist of or include new or used parts warranted equivalent to new in performance when installed in an IBM machine.

## Parts/Warranty

Parts are warranted to be free from defects in material and workmanship. IBM's obligation in this respect is limited to furnishing, on an exchange basis, replacements for part(s) which have been promptly reported by the purchaser as having been in his opinion, defective, and are so found by IBM upon inspection. IBM's obligation shall terminate ninety (90) days after the date of delivery of each part.

## Supplies/Warranty

IBM warrants the supplies to be free from defects in material and workmanship at the time of delivery. In the event of IBM's breach of any warranty, Purchaser's exclusive remedy will be that IBM will repair or replace the defective supplies provided that Purchaser returns said defective supplies to IBM in the United States, Puerto Rico or the Canal Zone within one year after delivery.

THE FOREGOING WARRANTIES ARE IN LIEU OF ALL OTHER WARRANTIES EXPRESSED OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

All parts and supplies sales are final, subject to existing warranty provisions. Returns will be accepted in accordance with such warranty provisions or within one month of date of purchase for those parts which are unused and through mutual agreement are determined to have been ordered in error. All items returned for exchange or credit must be accompanied by a copy of this invoice.

These terms and conditions of sale constitute the complete and exclusive statement of agreement superseding all oral or written communications and any prior agreements between the parties relating to its subject matter; except that, if the parties entered into a Supply Agreement, its terms and conditions shall govern.

It is hereby certified that these goods were produced or the services performed in compliance with all applicable requirements of sections 6, 7, and 12 of the Fair Labor Standards Act, as amended, and of regulations and orders of the United States Department of Labor issued under section 14 thereof.

### Conditions of Sale

## Terms

Net cash 30 days from invoice date.

## Parts and Supplies

Due to patent restrictions and the need to maintain a sufficient supply for maintenance purposes, IBM sells standard field installable parts only for use in the maintenance and repair of IBM equipment. Modification and improvements in design may occur at any time and could affect future availability of any part. It is understood that the parts on this invoice are ordered by you for use in the maintenance and repair of IBM manufactured equipment.

Maintenance Parts listed on this invoice will normally consist of, or include new or used parts warranted equivalent to new in performance when installed in an IBM machine.

### Parts/Warranty

Parts are warranted to be free from defects in material and workmanship. IBM's obligation in this respect is limited to furnishing, on an exchange basis, replacements for part(s) which have been promptly reported by the purchaser as having been in his opinion, defective, and are so found by IBM upon inspection. IBM's obligation shall terminate ninety (90) days after the date of delivery of each part.

### Supplies/Warranty

IBM warrants the supplies to be free from defects in material and workmanship at the time of delivery. In the event of IBM's breach of any warranty, Purchaser's exclusive remedy will be that IBM will repair or replace the defective supplies provided that Purchaser returns said defective supplies to IBM in the United States, Puerto Rico or the Canal Zone within one year after delivery.

THE FOREGOING WARRANTIES ARE IN LIEU OF ALL OTHER WARRANTIES EXPRESSED OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

All parts and supplies sales are final, subject to existing warranty provisions. Returns will be accepted in accordance with such warranty provisions or within one month of date of purchase for those parts which are unused and through mutual agreement are determined to have been ordered in error. All items returned for exchange or credit must be accompanied by a copy of this invoice.

These terms and conditions of sale constitute the complete and exclusive statement of agreement superseding all oral or written communications and any prior agreements between the parties relating to its subject matter; except that, if the parties entered into a Supply Agreement, its terms and conditions shall govern.

It is hereby certified that these goods were produced or the services performed in compliance with all applicable requirements of sections 6, 7, and 12 of the Fair Labor Standards Act, as amended, and of regulations and orders of the United States Department of Labor issued under section 14 thereof.

1. Seller warrants that all paints, white lead, varnishes, lacquers and products manufactured by it are free from defects in material and manufacture for normal use and service under normal conditions. No warranty exists, express or implied, as to the fitness for any particular or special purpose, trade, or art of any product manufactured by Seller. Gentlemen:

This is to confirm the agreement between the Hawaii Foundation for History and the Humanities (HFHH) and the Polynesian Voyaging Society (PVS) for the period July 1, 1978 and ending June 30, 1979, regarding the disbursement of the appropriation made by Act 243, First Special Session of Hawaii, 1978.

Twenty-five thousand dollars (\$25,000.00) was appropriated in the HFHH budget for PVS purposes in which:

1. PVS will expend the funds received from the State solely for refurbishing the ocean-going canoe Hōkūle'a for extended open ocean voyaging, expenditures to include the payment for repairs, dock charges, replacement of sails, rigging, supplies, hardware, safety equipment and other necessary equipment. Additionally, expenditures will include those necessary for procurement of appropriate navigational devices and charts, logs or books necessary in assuring the seaworthiness of Hōkūle'a in compliance with private and U.S. Coast Guard requirements.
2. HFHH will prepare purchase orders and summary warrant vouchers for submittal to the Department of Budget and Finance for approval and authorization for payment by the Department of Accounting and General Services.

It is understood and agreed that the PVS is an independent organization and the personnel engaged by the PVS are its employees and not employees of the HFHH or of the State.

Sincerely yours,

David Yamamoto  
Executive Director, HFHH

Dear Patricia;

Received your letter (enclosed zeroxed copy) this morning. To date we have not received your letter mailed on February 8, 1979, that you mentioned was mailed to us.

I spoke with Richard Soehren on the telephone requesting that he send us your bid form and wondered why we never received it. That is the reason why I haven't responded to it. Please send another bid form as soon as possible so that I may present it to the Executive Board and Education Committee Co-chairpersons for approval.

I regret the delay and can't understand why it was never received at this office. I would appreciate your immediate reply.
