Attention: Mr. Michael A. Tongg, President

Ladies & Gentlemen:

At their most recent meeting, the members of the Board of the Atherton Family Foundation reviewed your organization's request for financial assistance.

I regret having to inform you that your request for the following purpose was denied:

HOKULE'A REFURBISHMENT

The Foundation is asked to consider the financial needs of many charitable organizations. Inasmuch as the funds of the Foundation are limited, the Board is not able to award grants to many of the organizations which submit requests, even when the proposed activity appears to be a worthy endeavor.

We hope your organization is able to obtain funds from other sources.

Yours sincerely,

Jane R. Giddings
Secretary

Attention: Mr. Charles E. Larson, Director

Ladies and Gentlemen:

Your request of August 10, 1982 to the McInerny Foundation for a grant to purchase two outboard engines for the Hokule'a was recently considered by the Distribution Committee.

Because the Foundation receives many more grant requests than there are funds available, the Distribution Committee inevitably has to place restrictions on the number and kind of activities to which it can contribute. This precludes participating in many worthwhile undertakings. Regretfully, the Committee attached higher priorities to other proposals submitted, and therefore denied your request.

Sincerely,

Lois C. Loomis

Dear Ms. Among:

Thank you for your letter telling us about your plans to repair the double-hulled canoe, Hokule'a.

As you may know, the demands on a corporation for support are so great that it is necessary for us to follow a carefully organized plan for such giving in order to be fair and equitable. As we believe our funds should be directed toward other areas of need at this time, we regret that our response to your request cannot be favorable.

Nevertheless, may I wish you great success in attaining the goals of the Polynesian Voyaging Society to benefit the canoe, Hokule'a.

Sincerely,

Melvin M. Nakamura

Gentlemen:

I regret that our response to your recent request cannot be favorable. I am sure you understand that the demands on a corporation such as ours for philanthropic contributions are so great that it would be impossible for us to contribute fairly and equitably without a carefully organized plan for such giving. We would very much like to contribute to every worthy cause, but we would not be fulfilling our duty to our stockholders if we did not properly limit our donations.

Very truly yours,

Dear Mike:

Much as we would like to make a contribution to Polynesian Voyaging Society, we have been approached by Buffalo's group for a contribution to what appears to be a second voyaging society (I hope that I am not confusing the two). While they have not yet come in with a formal application, I indicated to them that we would help. I think that helping one group is probably as much as we can handle.

With kindest regards,

Sincerely,
