Ano'ai E Pūnehana Kakou:

The Polynesian Voyaging Society needs your kokua. We invite you and your company to join us and become a patron of our luau to be held Saturday, October 1, 1977. This fundraising celebration will enable us to continue sailing HOKULE'A throughout the islands.

Since her historic voyage last year to Tahiti, HOKULE'A has contributed a wealth of educational materials and experiences which she has shared with all of our people. Sailing during the summer months to the neighbor islands, she touches both young and adult minds and hearts, those adventurous and curious, those merely trying to re-establish roots, those caring about cultural understanding for the future. During the school months, members of the Polynesian Voyaging Society and members of the crew bring these experiences into the classrooms, and share these with groups and organizations.

We want to continue HOKULE'A's role as a floating classroom in Hawaii. We know from the tremendous response, the people of Hawaii share this feeling. Thousands of people, both young and adult, have visited and gained a great deal from this cultural and historic experience.

How can you help? We are enclosing tickets to our fundraising luau with this letter. We are hoping that you and your company will support HOKULE'A by your monetary donation. A part of the ticket price is tax deductible. Should you be unable to provide support for the entire amount of the tickets enclosed, we would appreciate the return of those you will not be able to use.

Polynesian Voyaging Society, for a Special General license
at Pier 10, Honolulu Harbor, on Saturday, October 1, 1977

POLYNESIAN VOYAGING SOCIETY: An unincorporated association formed on September 6, 1973, for the purpose of building a double hulled polynesian canoe to sail and retrace the path of the ancient polynesians to and from Tahiti and Hawaii, and to further the culture and heritage of Hawaiiana. It has a present membership of 250 persons. Present officers are as follows:

Paige Kawelo Barber, President, age 38
Cecilia Lindo, Vice President, age 46
Alice Froiseth, Secretary, age 46
Jack Thielan, Treasurer, age 56

LOCATION OF PREMISES: At the customs baggage claim area "B", Pier 10, on the second floor of the pier, Honolulu Harbor.

DETAILS OF PREMISES: The proposed licensed premises will occupy approximately 20,000 square feet of floor space on the second floor of a concrete building adjacent to Aloha Tower. Restrooms for men and women are at the mauka end, kokohead of the main entrance. A portable bar will be set up near the entrance on the diamond head side.

REASON FOR APPLYING: To raise funds for the maintenance of the canoe "Hokulea" and it's hull insurance premium.

INVESTIGATOR'S REPORT: This is the first time the applicant has applied for a special license. However, numerous other special licenses have been exercised at this location without incident.

The applicant anticipates approximately 1,500 persons to attend this luau function on Saturday, October 1, 1977. Tickets are being sold in advance for \$10 per person, all ages, and entitles the bearer to the meal and entertainment. Mixed drinks will cost \$1.00 each, and beer will sell for 50¢ each, dispensed in disposable containers by the adult members of the association. Liquor service will begin at 3:00pm. There will be two seatings for the luau meal, 4:00pm and 7:00pm. The entire affair is expected to be completed by 11:00pm.

Entertainment will be provided by several well known professional Hawaiian entertainers and groups. No minors are expected to entertain.

Security will be provided by the Hayes Guard Service, off duty HPD officers and the assistance of the Harbor Police.

Under letter dated September 1, 1977, David K. Higa, Chief, Water Transportation Facilities Division, State of Hawaii Department of Transportation, advises that there is no objection to the dispensing of alcoholic beverages at the subject location for the day requested.

LIQUOR PURCHASES: Applicant will purchase all liquor from a licensed wholesaler and any unopened liquor will be returned to said wholesaler.

Hele Mai Na HO'OKAHI KE ALOHA O NA MOKUPUNI MAI HOKULE'A Luau!

Hokule'a's spirit has never been stronger. Her 4-month tour of the islands as a State-wide Educational Workshop, now nearing completion, is an unqualified success! To celebrate her many achievements, PVS is hosting a big Luau in her honor: HO'OKAHI KE ALOHA O NA MOKUPUNI MAI HOKULE'A, or "One Thought, one Love Amongst the Islands brought about by Hokule'a." We feel that this expresses well the feeling of Aloha and togetherness that Hokule'a has generated throughout the islands, spearheading the renaissance of the Hawaiians, as some have said.

The Luau date is ~~August 20, 1977~~ ^{Sept. 1, 1977}. The exact location will be specified on your tickets, which are being sold for \$10.00 per person. The tickets are tax-deductible, of course. No-host cocktails start at 3 p.m., and food service starts at 5 p.m. Our friend "Zulu" has agreed to set up what is sure to be a memorable evening of Hawaiian entertainment.

Ticket Chairman Myron K. Cummings is advising interested persons to send in the Luau Reservations Form with payment to the Polynesian Voyaging Society office, c/o P. O. Box 6037, Bishop Museum, Honolulu, Hawaii, 96818. He may be reached for more information at 521-4262(wk) or [redacted] (pm). There will be a firm limit of 1,500 tickets to be sold, so reservations should be sent in as soon as possible.

We need as many people as possible to contribute their services for this Luau. If you CAN help, PLEASE contact Eleanor Kirkpatrick at the PVS Office (Honolulu 841-3966). Kokua is needed in the following committees:

1)Food Preparation, 2)Food Service, 3)Sales,

4)Entertainment, 5)Decorations, 6)Aloha, 7)Tickets, and 8)Clean-up. It's actually a lot of fun, coupled with a great feeling of satisfaction!

SOCIETY NEWS

"HO'OKAHI KE ALOHA O NA MOKUPUNI MAI HOKULE'A"
"One Thought, One Love Amongst the Islands brought about by Hokule'a"

Join our Luau Celebration Saturday, October 1st!
Aloha Tower, Honolulu Harbor, Pier #10

You are cordially invited to become part of the Polynesian Voyaging Society's tribute to the Hokule'a voyaging canoe, and her many achievements! It promises to be an evening to remember, and we hope to see as many PVS members there as possible.

The site is at Honolulu's Aloha Tower, near the Seaflite passenger terminal. The No-host cocktails start at 3 p. m. and the First Meal Sitting begins at 4 p. m., with the Second Meal Sitting starting at 7 p. m.

Entertainment Chairman Keli'i Tau'a has lined up a great group of entertainers for continuous enjoyment during and after the dinner servings. As of this writing, the following groups are confirmed: 1) Andy Cummings and the Hawaiian Aires, 2) Atta Issacs & Co., 3) Darryl Lupenui's Waimapuna dance troupe, 4) Francis Kamahele, 5) Kaimana, 6) Louise Kaleiki's Hula Troupe, 7) Moe Keale & Anuenue, 8) Karen Keawe, 9) The Sons of Liliha, and 10) of course, the musical group Hokule'a! :

Tickets are on sale for \$10.00 per person, with \$8.00 of this being tax-deductible. Our main ticket outlets are at the Holiday Mart Information desks at the Honolulu and Kailua stores on O'ahu. Tickets are also available in the Kalihi area at the Polynesian Voyaging Society Office (at Bishop Museum) and at the Alu Like Office on Kaumualii Street. For PVS members and friends on the Neighbor Islands, please write the PVS Office in Honolulu using the ticket request form right away so that you may be assured of receiving your tickets before the Luau date. For those of you who have already ordered tickets, please call the PVS Office (ph. 841-3966) to specify

which Meal Serving you wish to attend. There is a firm limit of 750 tickets to be sold for each serving, so we urge you to order your tickets now!

As we said in the last newsletter, we need as many people as possible to contribute their services for the Luau Celebration. If you CAN help, we urge you to contact Eleanor at the Polynesian Voyaging Society office (ph. 841-3966). We are gratified by your response so far, but more help is needed in the following committees: 1) Food Preparation, 2) Food Service, 3) Sales, 4) Decorations, 5) Aloha, and 6) Clean-up. Also, if you can help sell Luau tickets to businesses or groups, your kokua would be much appreciated!

Sales Chairman Blossom Jamieson again is requesting that anyone with old Hawaiian articles they are not using anymore (such as old Monkeypod bowls, hats or purses made of Lauhala or other native materials, or other articles) please donate them by calling Eleanor at the PVS office (ph. 841-3966). The articles will be handsomely refurbished to be resold at the Luau.

Blossom would also like to announce that Hokule'a T-Shirts will be on sale at the Luau in all sizes and colors. We hope at that time to unveil our new Allen Akina-designed print; we know they will be well-liked!

Food Preparation Chairman Paige Barber also wants people to know that food donations will be gratefully accepted. Food Coordinators on each island will assist you in preparing food for shipment, and our friends at Seaflite will be transporting food to Honolulu manuahi!

So make your plans to join us Saturday, October first, at Aloha Tower for a great time!

An Update on Hokule'a

Our Hokule'a on Kaua'i Island

June 12, 1977: Hokule'a glides majestically along in Nawiliwili Bay to her anchorage in Niumalu. Photo by Bob Pickard, courtesy of our friends at The Garden Island newspaper.

On Friday, July 23rd, Hokule'a left her new permanent berth at Pier 13, Honolulu Harbor, bound for Moloka'i. Unfortunately, our winds died in the Kaiwi Channel; we were forced to use the "iron paddle" outboard motor during the night and Saturday a.m. Captain Leon Paoa Sterling decided to make an unscheduled stop on Lana'i at Kaunapau Harbor since we were running dangerously low on fuel. We had a warm welcome from the harbor employees, despite the fact that they were busy loading pineapple barges.

Hokule'a arrived in Kaunakakai late on Saturday night, July 24th after sailing the Kealaikahiki, Auau, & Kalohi Channels. During her 3-week Moloka'i stay, our canoe played host to many Summer-Fun kids, and underwent a thorough maintenance job.

On August 13th, Hokule'a returned to Honolulu. Since there is a tentative fundraiser in Kaanapali scheduled for November, it was decided not to return to Maui until that time.

The HO'OKAHI KE ALOHA O NA MOKUPUNI MAI HOKULE'A Luau fete on October 1st will be a celebration of Hokule'a's many achievements and a re-dedication to her spirit as we look to the future. The Luau will raise the necessary monies to provide for her maintenance and repairs necessary in the coming months. At the Luau, her future plans for the year ahead will be outlined. Be There'.

You are invited to join the POLYNESIAN VOYAGING SOCIETY, a non-profit community group open to everyone. Donations and membership fees are tax deductible.

THINGS I NEED TO KNOW:

Memberships:

Do the membership designations mean anything?

Do members get "demoted" from previous standings if current dues do not match the old ones?

For how long does an IKS membership last? What are the criteria for getting one?

What do I do when members send in memberships and then follow these with donations of various sums throughout the year? Do I credit the donations to the next years' membership dues, raise the current standing? (Those who send in donations are now automatically given memberships)

People send in \$10.00 for four names - a sort of group membership. Do I mail out four cards, one card with four names, or politely tell them to send in money for each person? (A group, or family membership, would take care of this.)

Recommend:

Creation of a senior citizen membership for \$2.00

Set age restriction of 18 on student memberships.

Creation of a life-time membership either by donation of so much money or given to those who have helped out in labor and time. Suggestions for the second - crews of Tahiti voyage, those who help prepare for the voyage, like Moku and Paige.

Information:

I frequently get requests for some type of brochure explaining the goals the function etc. of PVS. Can some kind of thing be written and run off?

A couple of members have called in wondering if they've been dropped from the mailing list, because "I haven't gotten any newsletters recently." (Hint hint)

People have written once or twice asking for information on the building of the canoe, history of the PVS. Could some kind of information packet be prepared (slightly more substantial information-wise than brochure) for mailing out to people? Otherwise, I will keep giving the requests for info to Dave Lyman, and he will be forced to deal with these things - each time they come up. We could, I suppose, charge a mailing fee if the cost of mailing is high.

Canoe:

Who has right to access to the canoe - do former crew members, or must they be accompanied by John, Maka, or someone from the canoe committee. (Question came up when Tommy Holmes asked if he could take a group of people on the canoe for a talk. John said 'fine' so I just alerted Koko Marina security to expect them - John was not present when the group actually came out.)

Questions:

To whom, other than Paige, do I direct questions I can't answer. The only two people I know for sure are Nancy re: the books, and Gordon re: tours of the canoe.

Once the Speakers Schedule is arranged, I would like a copy so if people call in wondering if there is going to be a talk that they can drop in on and listen to, I can tell them.

TO: People concerned with transporting and receiving
of food prepared for the Polynesian Voyaging Society

FROM: Alma Key

RE: Procedures to be followed

Labeling of Boxes

Each box will be labeled with one of the attached labels. It will have the box number, weight, contents and hotel that food is being stored in noted on the label. The box will also have a Here Today Gone to Maui sticker on it for easy visual identification. The boxes will be labeled by the Polynesian Voyaging Society.

Transporting Procedure

Arrangements will be made with Bob Haws, President, Royal Hawaiian Air Service - phone 841-8795 for transporting the food to Maui. The Polynesian Voyaging Society will check with Mr. Haws prior to bringing food to airport. The PVS will also notify AMFAC Communities, 661-3671 or Alma Key, KBOA, 661-3271 to expect delivery.

When the food boxes arrive in Maui, Royal Hawaiian Air Service will call either the AMFAC offices or KBOA office to pick up and deliver to the hotels.

A confirmation letter that the food was received and refrigerated, listing number of boxes received, will be send to the Polynesian Voyaging Society by either AMFAC or KBOA.

Gentlemen:

This is to confirm the agreement between the Hawaii Foundation for History and the Humanities (HFHH) and the Polynesian Voyaging Society (PVS) for the period July 1, 1977 and ending June 30, 1978, regarding the disbursement of the appropriation made by Act 10, First Special Session of Hawaii 1977.

Five-thousand dollars was appropriated in the HFHH budget for PVS purposes in which

1. PVS will execute a program, as attached, for the training of two individuals to learn non-instrumental navigation in the form as practised by Micronesians.
2. HFHH will prepare purchase orders and summary warrant vouchers for submittal to the Department of Budget and Finance for approval and authorization for payment by the Department of Accounting and General Services.

It is understood and agreed that the PVS is an independent organization and the personnel engaged by the PVS are its employees and not employees of the HFHH or of the State.

PROPELLER CLUB OF THE UNITED STATES

PORT OF HONOLULU

*To Promote, Further and Support an American Merchant Marine
To Aid the Development of Rivers, Great Lakes and Harbor Improvements*

POST OFFICE BOX 1476 • HONOLULU 6, HAWAII

18 October, 1977

Dear Principals, Teachers, and Students:

As per the recent memo from Superintendent Clark, the Port of Honolulu's Propeller Club is sponsoring the 43rd. Annual Harding Memorial Essay Contest this year. This year's theme is "The American Merchant Marine - Its Vital Role In The World Of Commerce". The contest offers high school students a challenge and an opportunity to conduct research on the American Merchant Marine.

The American Merchant Marine is defined as those vessels operating under the U.S. flag. This excludes military and publicly owned vessels but includes any type of craft engaged in a commercial service, including those in the fishing industry. Ships that we see regularly in Hawaii, such as the Matson container ships, Pacific Far East Line's passenger ships, Hawaiian Tug and Barge's tugs, the American tankers, and our local fishing fleet are all considered part of the Merchant Marine.

Hawaii's winning essay will be sent to National Headquarters for judging against winning entrants from each participating Propeller Club chapter located at various seaports around the country. Last year a total of 21 prizes were awarded nationally, including many trips on American ships to Europe, the Far East, and Hawaii-South Pacific. Our local winner, Miss Maria T. Duben of Kaiser High School, won a \$200 cash prize in national competition.

On the local level the prizes awarded were: 1st.- a round trip for two to any island for two on Seaflyte, 2 nights for 2 at the Ka'anapali Surf Hotel, and \$50 spending money. 2nd.- a \$100 savings bond and an inter-island round trip on the schooner MACHIAS. 3rd.- a \$50 savings bond. The first 3 place winners and their teachers were recognized at a Propeller Club luncheon meeting held aboard the SS MONTEREY. We expect to come up with similar prizes this year and will announce them to you when they are finalized.

A common complaint that we heard all too often last year was that there is very little available in the school and public libraries on the American Merchant Marine and a methodical research was therefore very difficult. To correct this unfortunate situation the Propeller Club, in conjunction with Sea Grant, is establishing a Library/Research Center on the 8th. floor of the Aloha Tower. We are currently in the process of stocking this facility with publications relating strictly to the commercial maritime industry. To date we have received copies of legislation pertaining to the Merchant Marine, including valuable data on the fishing industry, from Senator Inouye, copies of Coast Guard publications directly relating to this field, and several copies of various monthly professional publications. We will be announcing shortly when this library will be available for your use.

The deadline for the contest is 1 March, 1978 so you have ample time to prepare your essay. To make sure that those who intend to enter this contest will be kept fully abreast of all available information we would like you to contact either of the two phone numbers listed below, leave your name and phone number and your call will be returned to get your address. This way you can be included on a special mailing list that is being developed for all contestants to receive up to date information on available resource material.

The California Maritime Academy's training ship, the GOLDEN BEAR, will be in Honolulu from 31 January, 1978 to 4 February, 1978. During her visit here all who have indicated a desire to enter this contest by 20 January, 1978 will be hosted to an open house aboard the ship which will be followed by a harbor tour that will include a visit of Matson's facilities with a narrated slide show on Honolulu Harbor and the importance of shipping to Hawaii.

We are looking forward to hearing from you, aloha....

Capt. Dave Lyman

Subject: HOKULEA BENEFIT - NOVEMBER 26, 1977

Aloha:

As most of you are aware, we have not been able to pin down a definite date for our Island Holidays Hokulea Benefit (at the Royal Lahaina Resort) because the Hokulea Board will not guarantee the canoe will be at the benefit November 26 because of the uncertainty of the weather during our winter months.

Although the chances of bad weather are more imminent during the winter months, the possibility also arises anytime of the year.

I had a long talk today with Paige Barbara of the Polynesian Voyaging Society, and we both agreed to postpone the benefit to a later date - and until the Hokulea Board of Directors meets on Tuesday, November 8.

We both feel there is not adequate time at this point to do the job that will be required for an event this big. It is my understanding that we are talking about a benefit sponsored by Island Holidays at the Royal Lahaina Stadium, possibly involving all our hotels as far as support and entertainment.

I reassured Paige Barbara of our sincerity in putting on this event, and that we envision one of the largest events on this order in the State.

She assured me that the Board of Directors would set a date for our benefit some time in the Spring during their meeting on the 8th. At that point, we can check the Maui calendars to be sure there is not another conflicting event at that time.

Aloha,

Bill Baker

Ano'ai E Pumehana kakou:

The Polynesian Voyaging Society needs your kokua. We invite you and your company to join us and become a patron of our luau to be held October 1, 1977. This fundraising celebration will enable us to continue sailing Hokule'a throughout the islands.

Since her historic voyage last year to Tahiti, Hokule'a has contributed a wealth of educational materials and experiences which she has shared with all of our people. Sailing during the summer months to the neighbor islands, ~~and during the school months~~ she touches both young and adult minds and hearts, those adventurous and curious, those merely trying to re-establish roots, those caring about cultural understanding for the future. During the school months, members of the Polynesian Voyaging Society and members of the crew bring these experiences into the classrooms, and share these with groups and organizations.

We want to continue the Hokule'a's role as a floating classroom in Hawaii. We know from the tremendous response, the people of Hawaii share this feeling. Thousands of people, both young and adult have visited and gained a great deal from this cultural and historic experience.

How can you help? We are enclosing tickets to our fundraising luau with this letter. We are hoping that you and your company will support the Hokule'a by your monetary donation. A part of the ticket price is tax deductible. Should you be unable to provide support for the entire amount of the tickets enclosed, we would appreciate the return of those you will not be able to use.

Please call on me if I can be of any ~~xxxx~~ assistance or provide information about the luau, or ~~at~~ future plans for the Hokule'a. ~~Again~~ ~~xxxxxxx~~ We would like to extend our warmest mahalo to you and your company in advance for your kokua.

The CONGRESS of the HAWAIIAN PEOPLE

98-1364 AKAAKA STREET / AIEA, HAWAII 96701 / PHONE 4886905

March 28, 1977

Aloha kuaa!

The Congress of the Hawaiian People is asking for your kokua and your company's participation in our "May Day" luau planned for April 30, 1977. This festive event will be held at Pier 10, in the Aloha Tower.

Our intent is to generate funds for a scholarship fund which will assist worthy students of Hawaiian ancestry who lack the financial resources to pursue their education after high school.

The need for such a scholarship fund is real! Although there are other scholarships offered by schools, government, business, and charitable organizations, the accelerating costs of higher education and the large number of graduates choosing to continue their education at the college level have left a considerable gap between the resources available for such purposes and the existing need. This fund will help bridge that gap and assist Hawaiian youth in their efforts to develop their highest potential.

We invite you to join with us and become a patron of our benefit luau. We seek your monetary support and/or the donation of products that may be used as prizes. The benefits that are accorded our patrons are outlined on an attached announcement.

If I can provide any more information about the luau or our goals, please call upon me at my office (842-8494) or my home (██████████). Correspondence may be addressed to my business address: NEIL J. HANNAHS, THE KAMEHAMEHA SCHOOLS, KAPALAMA HEIGHTS, HONOLULU, HAWAII 96817.

I hope to hear from you by April 15. Mahalo a mui loa!

Me ke aloha pumehana,

Neil J. Hannahs
Luau Donation Chairman

Ano'ai E Pumehana Kakou:

The Polynesian Voyaging Society needs your kokua. We invite you and your company to join us and become a patron of our luau to be held Saturday, October 1, 1977. This fundraising celebration will enable us to continue sailing HOKULE'A throughout the islands.

Since her historic voyage last year to Tahiti, HOKULE'A has contributed a wealth of educational materials and experiences which she has shared with all of our people. Sailing during the summer months to the neighbor islands, she touches both young and adult minds and hearts, those adventurous and curious, those merely trying to re-establish roots, those caring about cultural understanding for the future. During the school months, members of the Polynesian Voyaging Society and members of the crew bring these experiences into the classrooms, and share these with groups and organizations.

We want to continue HOKULE'A's role as a floating classroom in Hawaii. We know from the tremendous response, the people of Hawaii share this feeling. Thousands of people, both young and adult have visited and gained a great deal from this cultural and historic experience.

How can you help? We are enclosing tickets to our fundraising luau with this letter. We are hoping that you and your company will support the HOKULE'A by your monetary donation. A part of the ticket price is tax deductible. Dear Ms. Barber:

Thank you for your interest in the Ilikai Hotel.

I am certain that your project is a worthy effort however, as you can well imagine we are continually asked for donations in one form or another and we must always consider our own limits in being able to provide them.

It is with regret that we must therefore decline participation in this program. We are returning the two luau tickets to you.

With best wishes.

Sincerely,

The Polynesian Voyaging Society needs your kokua. We invite you and your company to join us and become a patron of our luau to be held Saturday, October 1, 1977. This fundraising celebration will enable us to continue sailing HOKULE'A throughout the islands.

Since her historic voyage last year to Tahiti, HOKULE'A has contributed a wealth of educational materials and experiences which she has shared with all of our people. Sailing during the summer months to the neighbor islands, she touches both young and adult minds and hearts, those adventurous and curious, those merely trying to re-establish roots, those caring about cultural understanding for the future. During the school months, members of the Polynesian Voyaging Society and members of the crew bring these experiences into the classrooms, and share these with groups and organizations.

We want to continue HOKULE'A's role as a floating classroom in Hawaii. We know from the tremendous response, the people of Hawaii share this feeling. Thousands of people, both young and adult, have visited and gained a great deal from this cultural and historic experience.

How can you help? We are enclosing tickets to our fundraising luau with this letter. We are hoping that you and your company will support HOKULE'A by your monetary donation.
