Aloha,

Once again the canoe arrives on target. Enclosed is a check for \$133.86 for half of the proceeds from the sale of the covers carried on the original voyage. The covers are still available for sale at \$6.00 for the set of two covers on the first voyage to TAHITI and back. If you wish to mention this in one of your fund raising newsletters it might bring some sales. We have begun to receive sales from the publicity on the current voyage and hope to be able to send along more money within a few weeks.

Abby,

Thank you for your letter of December 8. There was no written agreement between the two Societies to my knowledge, only an oral agreement between the then HPS President John T. Nugent and your two Board members Herb Kane and Ben Jimmy. This agreement provide that after expenses to make the covers and pay the postage for the covers the two Societies would split the resultant profit equally. The total sales for 1978 have been \$2892 giving each Society \$1446 for this year. To date we have mailed to you checks totaling \$1096. Enclosed with this letter is the final 1978 check of \$350. As additional sales are made we will send you checks on an periodic basis for your half of the sales.

Sincerely,
