Dear Bulk Mail Customer:

It is time again to renew your bulk mailing fee. The \$40 annual fee will renew your privilege to mail at Third Class reduced rates until December 31, 1980. Enclosed is a bulk fee renewal notice. Please complete this notice and return it with your fee payment to one of the following four post office windows:

Main Office (Airport) Window: 3600 Aolele St.  
Downtown Station: 335 Merchant St.  
Waikiki Station: 330 Saratoga Rd.  
Waiialae-Kahala Station: 4354 Paho Ave.

Please complete the right side of the card with your organization's name and current address and telephone number. NON-PROFIT ORGANIZATIONS MUST also complete the left side of the card. Sign and date the card.

The complete renewal notice and your remittance may also be mailed to:  
Postmaster, Main Office Window, 3600 Aolele St., Honolulu, HI 96819.

Again I would like to advise you of some areas of concern which may or may not be a problem to you.

I want to reaffirm that the privilege you are exercising in mailing at the reduced third-class bulk rate also carries with it certain responsibilities:

1. You must have at least 200 pieces or 50 pounds weight per mailing.
2. A completed PS Form 3602, prepared in duplicate, must accompany all mailings.
3. Funds must be on deposit in advance of your mailings.
4. Correct bundling, labeling and banding, and traying or sacking procedures must be followed.
5. The paperwork and presorting of the mail must be completed before the mailing is brought to the bulk mail acceptance unit.

I have advised my bulk mail acceptance clerks that, as a very minimum, these five requirements will be enforced.

Several bulk mailers, particularly non-profit enterprises, seem to have a constant turnover of help, whether new officers or new volunteers. While we wish to assist you, it has become impossible to take the time of acceptance clerks to supervise the preparation of mailings in our office. Your mailings must be prepared before being presented for acceptance. I suggest every organization establish a file containing instructions, examples and communications regarding bulk mailings so that it is readily available

to anyone that is responsible for mail preparation. Your current responsible person should train some additional people.

All mailings require some advance preparation. Please plan ahead "who" will mail and "how" mailing will be done. If you need assistance in the proper make-up or completion of forms, please call upon our Mail Classification Office Staff (422-1716, 422-1933), but please not at the last minute.

A very important concern is when a mailer has extra copies left over after a mailing. When these copies are given away the bulk mail indicia must be crossed out. Some people to whom mailers have given these copies have addressed them and dropped them in the mail. Because postage has not been paid on these extra copies, they are returned for postage when the sender includes a return address. Please be sure, as well, that any unaddressed materials you include within your mail pieces do not bear permit imprints which have not been obliterated. You will be asked to take the mail back to your office to obliterate such imprints in the event this occurs.

Effective January 1, 1980, deposits of money to pay for permit imprint mailings may only be made at four Honolulu post office windows: Main Office (Airport), Downtown Station, Waikiki Station, and Waiialae-Kahala Station.

When making your deposits, be sure to give the postal clerk the correct permit number of your organization so that the deposit will be accurately recorded in your account.

Our bulk mail acceptance hours, effective January 1, 1980, are 8:30 a.m. to 5:00 p.m., Monday through Friday, except Federal Holidays. Please try to avoid arriving at the last minute since this will probably cause you to wait in line. You will probably receive the fastest service between 10:00 a.m. to 12:00 noon, and 1:00 p.m. to 3:00 p.m.

As a final concern, I know the Postal Service has a language all its own. So I have included instructions on preparing bulk mail which have been rewritten in hopes that they are clearer to you. They don't change anything -- just say it in different words.

If you have any questions or need materials, please call our Mail Classification Office (Monday through Friday, 8:30 a.m. to 4:00 p.m.) for assistance. In the meantime, have a very nice Holiday Season from all of us in the Postal Service.

Sincerely,

H. C. Chee

GUIDE FOR THIRD-CLASS BULK MAILERS -- JANUARY 1, 1980

Postal Service requirements for preparing bulk third-class mail are specific and are strictly enforced. Improperly prepared mail will not be accepted. Mailers are responsible for insuring that a fully completed PS Form 3602 (prepared in duplicate) accompanies each mailing; that adequate funds are on deposit in advance of each mailing; and that the mail is correctly sorted and bundled according to the instructions that follow. If you need assistance in preparing a bulk mailing, please call the Mail Classification Office (422-1716, 422-1933), whose office hours are 8:30 a.m. to 4:00 p.m., Monday through Friday.

1. POSTAL PERMITS REQUIRED: Postage must be prepaid by one of the following means:
  - a. Permit Imprint: \$30 application fee
  - b. Meter: no application fee
  - c. Precancelled Stamps: no application feePermits and licenses for the above are issued at the Mail Classification Office, located at the Main Post Office, Room 108, 3600 Aolele St., Honolulu, HI 96819.
2. ANNUAL BULK MAILING FEE: A \$40 fee must be paid each calendar year by or for any person who mails at the third-class bulk rates.
3. WHERE TO PAY FEES AND DEPOSIT MONEY FOR POSTAGE: Four points in Honolulu are designated for the acceptance of bulk mailing fee payments and for deposits of money to pay postage for permit imprint mailings. These are:
  - Main Post Office, 3600 Aolele St.
  - Downtown Station, 335 Merchant St.
  - Waikiki Station, 330 Saratoga Rd.
  - Waialae-Kahala Station, 4354 Pahoehoe Ave.Funds for permit imprint mailings must be on deposit before the mailings are brought to the post office.
4. PLACE OF MAILING: Bulk mailings must be brought to the Bulk Mail Acceptance Unit, Main Post Office (East Platform), located on Rodgers Blvd. fronting the Honolulu International Airport. Hours of bulk mail acceptance are 8:30 a.m. to 5:00 p.m., Monday through Friday. Mail is not accepted on weekends or on Federal Holidays.
5. MAILING STATEMENTS: A PS Form 3602 (Statement of Mailing Matter with Permit Imprint) must be prepared in duplicate and accompany each permit imprint mailing. The Form 3602 must be signed and completely filled out. (Page 8 gives detailed instructions on the proper completion of this form.) Bulk mailers using postage meters or precancelled stamps should use PS Form 3602 PC.

GUIDE FOR THIRD-CLASS BULK MAILERS -- JANUARY 1, 1980 -- P.2

6. Each mailing must have AT LEAST 200 INDIVIDUALLY ADDRESSED PIECES, or weigh at least 50 pounds to qualify as a bulk mailing.
7. NO FOREIGN MAIL may be included in bulk mailings.
8. Pieces of permit imprint mail must be IDENTICAL IN SIZE AND WEIGHT to one another. Be careful not to use envelopes of different weights, or make some pieces heavier than others by enclosing extra pages.
9. Each piece may weigh up to but not including 16 ounces. (Heavier pieces become fourth-class mail).
10. Pieces less than 3.5 inches in width (height) or 5 inches in length are non-mailable, as are pieces having shapes other than rectangular or thinner than .007 inches.
11. HANDWRITING OR TYPEWRITING (including automatic typewriter) may not appear in third-class mail, with certain exceptions as mentioned below. Handwritten or typewritten material must be sent at the first-class or priority rates. A circular may have the following specific handwritten or typewritten additions: the name of the addressee, sender's signature, and the date of the circular (not the date announcing when something is to happen, etc.). Please check with the Mail Classification Office before you mail if you plan to include handwritten or typewritten additions to your literature.
12. BILLS, STATEMENT OF ACCOUNT, STUDENT REPORT CARDS, ALL PERSONAL CORRESPONDENCE is first-class mail and cannot be sent at third-class rates. Third-class mail, to avoid being personal correspondence, must be sent in identical terms to several people.
13. ADDRESSING: Leave at least 3½ inches of clear space (from top to bottom) at the right end of the address side of the envelope for the address, permit imprint, stamps, etc. On large envelopes or mailing pieces, leave on the right end of the address side a clear rectangular space of not less than 3 X 4½ inches.
14. RETURN ADDRESSES: All mail should bear the name and return address of the sender in the upper left hand corner. Be sure to include your ZIP CODE. All matter mailed at the special bulk rates (for certain non-profit organizations) must identify the authorized permit holder. The name and return address of the authorized permit holder must appear either on the outside of the mailing piece or in a prominent location on the material being mailed. Pseudonyms or bogus names of persons or organizations may not be used. If the mailing piece bears any name and return address, it must be that of the authorized permit holder.
15. SEALING MAIL: The sealing of third-class mail is optional. Third-class mail which is not sealed or secured so that it may be safely handled by

GUIDE FOR THIRD-CLASS BULK MAILERS -- JANUARY 1, 1980 -- P.3

machines is not recommended. Mailing of sealed articles at the third-class rates of postage is considered to be consent by the mailer to postal inspection of the contents, and pieces of all third-class bulk mailings will be examined to verify proper classification.

16. USING YOUR PERMIT TO MAIL FOR OTHERS: A permit holder may use his permit to mail for other individuals or organizations provided an additional bulk fee (\$40) is paid in their name. This arrangement does not include authorized non-profit special rate bulk mailers who can only distribute their own materials at this special rate. Cooperative mailings may not be made at the special bulk rates if one or more of the cooperating persons or organizations is not authorized itself to mail at the special bulk rates. Cooperative mailings involving the mailing of matter on behalf of or produced for an organization not authorized to mail at the special bulk rates must be paid at the applicable regular rate.
17. IMPROPER USE OF PERMIT IMPRINTS: Since permit imprints indicate that the mail piece on which they appear has had postage paid, they must not appear on matter which is used as handouts or enclosures without first obliterating the permit imprint. Any permit imprints appearing on handouts or enclosures in mail pieces must be obliterated by being overprinted or inked over. If a permit imprint has an error in it when printed, call the Mail Classification Office (422-1716, 422-1933) for advice.

# Labeling Packages of Mail with Pressure Sensitive Labels

ALL bulk mail must be sorted as described below and bundled securely with strong twine or 3/8" wide rubber bands.

**BUNDLING PROCEDURE:** Bundles should be no more than FOUR inches thick. If bound with twine, it should be tied around both the length and width. If rubber bands are used, the first band should be placed across the length and the second, across the width. If the bundle is an inch or less in thickness, a single rubber band may be used across the width.

Bundles must be marked with pressure sensitive labels, as shown below. The pressure sensitive labels & rubber bands are available at the Bulk Mail Acceptance Unit located at the Main Post Office.

## SORTING PROCEDURE:

1. **DIRECT BUNDLE:** When you have ten or more pieces addressed to the same 5 digit zip code number, you must bundle them together. A red "D" adhesive label should be affixed in the lower left-hand corner of the top piece only. If adhesive labels are not available, no identifying label is necessary; the bundle will be considered to be for the zip code shown on the top piece.

**Red**  
PS LABEL D

**Direct** - all for same  
5-digit ZIP Code area

2. **SAME CITY BUNDLE:** This procedure is optional but strongly recommended. After all possible direct bundles have been made, any ten or more pieces with different 5 digit zip codes going to the **SAME CITY** must be bundled together. All pieces in the bundle must be for a city that has more than one zip code assigned to it.

**Yellow**  
PS LABEL C

**City** - all for multi-  
coded city on face

3. **THREE DIGIT BUNDLE:**

After all DIRECT and SAME CITY bundles have been made, any other ten or more mail pieces having the same first three zip code digits must be bundled together. For example, a letter for Haleiwa, HI (96712), a letter for Kula, HI (96790), etc. Use a green "3" adhesive label.

**Green**  
PS LABEL 3

**3** DIGIT - all for same first 3 digits of ZIP Code

4. **STATE BUNDLE:** After all possible DIRECT, SAME CITY, and 3 DIGIT bundles have been made, any ten or more for the SAME STATE should be bundled together. Use an Orange "S" adhesive label. Mailers may package less than 10 pieces in the same manner.

**Orange**  
PS LABEL S

all for **State** on face

5. **MIXED STATES BUNDLE:** After all possible DIRECT, CITY, 3 DIGIT, & STATE BUNDLES have been made, the remaining pieces going to various states must be bundled together. No adhesive labels are available for marking these bundles. Use a slip of paper that has been marked, "MIXED STATES". This facing slip must be securely placed under the twine or rubber bands so that it will not fall off during the handling of the mail.

**MAIL PIECES MUST BE PREPARED SO THAT THEY ALL FACE THE SAME WAY.**

TRAYING & SACKING INSTRUCTIONS FOR THIRD-CLASS BULK MAIL.

Bundles of mail must be sorted and sacked to destinations as outlined below (Note that under certain conditions, mail addressed to HONOLULU zip codes may be trayed instead of being sacked). No more than 70 pounds of mail may be placed in any sack.

I. TRAYING:

THIS METHOD IS USED ONLY FOR HONOLULU ZIP CODES AND APPLICABLE ONLY TO FULL TRAYS OF MAIL. Whenever there are enough pieces for the same HONOLULU zip to fill an entire four-sided plastic tray (available at no charge from the post office), customers are encouraged to use this method. A label showing the ZIP CODE of DESTINATION must be affixed to one end of the tray.

#### SACKING MAIL TO MAINLAND POST OFFICES

When you have 12 or more bundles of mail addressed to the mainland, you must sack and label this mail. Instructions are similar to sacking mail for Hawaii. Call the MAIL CLASSIFICATION CENTER (422-1716 or 422-1933) for more specific information.

#### HOW TO OBTAIN EQUIPMENT

TRAYS and #3 CANVAS SACKS may be obtained from most branch post offices. You should always make arrangements with the Station Manager, several days ahead of time.

LABELS for the #3 canvas sacks, TRAYS, and #3 CANVAS SACKS may be obtained from the CUSTOMER SERVICES OFFICE (Phone 422-6564/9550) or the BULK MAIL ACCEPTANCE UNIT (422-1513).

#### UNDELIVERABLE AND FORWARDING

**RETURN ADDRESS:** Each piece should bear in the upper left corner of the address side, the name and address of the sender, including the street or post office box number and ZIP code. The return address may be omitted from third-class if the sender does not wish it returned if undeliverable, but it is advisable to have the return address in all cases.

**RETURN OF UNDELIVERABLE MAIL:** When it is desired that third-class mail be returned in the event it cannot be delivered as addressed, the pledge of the Mailer should be placed immediately under the return address. The words "RETURN POSTAGE GUARANTEED" should be used. Mail so endorsed will be returned to sender at the single-piece third-class rate, the mail will be marked undeliverable as addressed. The reason the mail is undeliverable or the addressee's new address will not be shown.

**FORWARDING:** Third-class mail may be forwarded where the new address is known and postage is guaranteed by the sender. The words "FORWARDING AND RETURN POSTAGE GUARANTEED" must be placed below the return address. The mail would then be forwarded to the new address. Postage for forwarding would be collected from the addressee. If the addressee refuses to pay the postage due, the article will be returned to the sender with both the forwarding and return postage to be collected on delivery.

**ADDRESS CORRECTION SERVICE:** The addressee's new address or the reason why a third class mailing piece is undeliverable may be obtained either independently of, or in combination with the return and forwarding services described above.

A piece weighing two ounces or less bearing the words "ADDRESS CORRECTION REQUESTED" below the return address will be returned to the sender for a charge of 25¢ with the new address or reason marked on the mail piece.

When a piece over two ounces bears the words "ADDRESS CORRECTION REQUESTED," Form 3579 attached to the address label clipped from the piece will be used to notify the sender for a fee of 25¢. The mailing piece will not be returned.

When a sender desires the return of a piece weighing more than 2 ounces, as well as the new address or other reason for non-delivery, the piece must be endorsed "ADDRESS CORRECTION REQUESTED RETURN POSTAGE GUARANTEED" or "ADDRESS CORRECTION REQUESTED FORWARDING AND RETURN POSTAGE GUARANTEED" depending on the service desired. If the mail cannot be delivered or forwarded, it will be returned at the single-piece third class rate plus 25¢ for the Form 3579 which will be attached.

## GUIDE FOR THIRD-CLASS BULK MAILERS

Postal Service requirements for preparing Bulk Third-Class mail are specific and STRICTLY ENFORCED. IMPROPERLY PREPARED MAIL WILL NOT BE PROCESSED. Be sure to follow all procedures described below.

See that ALL personnel involved with the preparation of bulk mail are thoroughly trained. If you have any questions, call our MAIL CLASSIFICATION CENTER, telephone 422-1716, for help and advice BEFORE you mail; PLEASE DON'T WAIT UNTIL IT'S TOO LATE.

An annual \$40 bulk mailing fee must be paid each calendar year (Jan. 1 - Dec. 31) by all bulk third-class mailers. Renewal payments may be made at any Honolulu post office.

1. A permit is required to mail bulk third-class mail using permit imprints (see the last page of this handout for samples of permit imprints). The fee for the permit is \$30. The Mail Classification Center, Main Post Office, Room 108, issues these permits for the Honolulu Post Office.
2. Honolulu permit imprint mailers can make their postage payments at any Honolulu Branch post office. Remember that postage MUST be FULLY PREPAID before the mail can be released for processing. Deposits for payment may be made in advance or at the time of mailing.
3. Place of Mailing: Bulk mailings must be brought to the Bulk Mail Acceptance Unit, MAIN POST OFFICE, (East Platform), located on Rodgers Boulevard, fronting the Honolulu International Airport.
4. Each mailing must have at least 200 pieces or 50 pounds total weight.
5. NO FOREIGN MAIL may be included in bulk mailings.
6. Each piece must be INDIVIDUALLY ADDRESSED to a different addressee.
7. Each piece must be IDENTICAL in SIZE and WEIGHT to all other pieces in the mailing. (Be careful not to use envelopes of different weights or make some pieces heavier than others by enclosing extra pages, etc.)
8. Each piece may weigh up to but not including 16 ounces.
  - a. Pieces less than 3 inches in width (height) or  $4\frac{1}{2}$  inches in length are non-mailable. (Size expected to be changed to  $3\frac{1}{2}$ "x5" (Mar/Apr 1979).
  - b. Pieces having shapes other than rectangular are non-mailable.
  - c. Cards having a thickness of less than 0.006 of an inch are non-mailable. (Size expected to be changed in 1978 to 0.007 of an inch).

9. Sealing: The sealing of third-class mail is optional. Third-class mail which is not sealed or secured so that it may be handled by machines is not recommended. Mailing of sealed articles at the third-class rates of postage is considered consent by the mailer to postal inspection of the contents.
10. Each piece must be SORTED and BUNDLED according to the instructions on pages 2 and 3. Bundles must be SECURELY BOUND with twine or 3/8" WIDE rubber bands. Rubber bands are available from the Customer Service Office, Main Office, Room 101, telephone 422-6564.
11. PS FORM 3602 (Statement of Mailing Matter with Permit Imprint) must be SIGNED, COMPLETELY filled out in DUPLICATE, and submitted with each mailing. Page 5 gives detailed instructions on the proper completion of this mailing statement. (Bulk mailers using postage meters or pre-canceled stamps to pay postage should use PS Form 3602-PC.)
12. NO HANDWRITING or TYPEWRITING (including by automatic typewriter) may appear in bulk-third-class mail. Handwritten or typewritten material must be sent at the FIRST CLASS or PRIORITY rates. However, a circular may have the following specific handwritten or typewritten additions: The name of the addressee, sender's signature, and the date of the circular (not the date announcing when something is to happen, etc.). Please check with the Mail Classification Center, (422-1716) before you mail anything with handwritten or typewritten additions.
13. Bills, statements of account, and student report cards are prohibited! They must be mailed at the FIRST CLASS rates, as must all PERSONAL CORRESPONDENCE. Bulk third-class mail must be sent in identical terms to several people or it may be said to have the nature of personal correspondence.
14. A permit holder may use his permit to mail for other individuals or organizations provided an additional annual bulk fee is paid in their name. This arrangement does not include authorized non-profit bulk mailers. They can only distribute their own mail at the special rates.
15. Improper use of Permit Imprints: Since permit imprints indicate that the mail piece on which they appear has had postage paid, they must not appear on matter which is used as handouts or enclosures without first obliterating the permit imprint. Any permit imprints appearing on handouts or enclosures in mail pieces must be obliterated by being overprinted or inked over. If permit imprint has an error in it when printed, do not alter the imprint. Call the Mail Classification Center for advice (422-1716, 422-1933).

## SORTING AND BUNDLING PROCEDURES

ALL bulk mail must be sorted as described below and bundled securely with strong twine or 3/8" wide rubber bands.

**BUNDLING PROCEDURE:** Bundles should be no more than 4 to 5 inches thick. If bound with twine, it should be tied around both the length the width. If rubber bands are used, the first should be placed across the length and the second across the width. If the bundle is an inch or less in thickness, a single 3/8" rubber band may be used across the width.

Bundles must be marked with either a pressure sensitive label (shown in the left column below and available from the BULK MAIL ACCEPTANCE UNIT at the Main Post Office) or a slip of paper (called a facing slip) as shown in the right column below. If facing slips are used, they must be securely placed under the twine or rubber bands so that they will not fall off during the handling of the mail.

### SORTING PROCEDURE:

1. **DIRECT BUNDLE:** Any ten or more pieces addressed to the same 5 digit zip code number must be bundled together. A red "D" adhesive label should be affixed in the lower left-hand corner of the top piece only. If adhesive labels are not available, no facing slip need be attached; the bundle will be sent to the zip code of the top piece of mail.

2. **SAME CITY BUNDLE:** After all possible direct bundles have been made, any ten or more pieces with different 5 digit zip codes going to the SAME CITY must be bundled together. Use a yellow "C" adhesive label, or a facing slip marked, "MIXED CITY" + the first 3 digits of the zip code; example - MIXED CITY 968.

3. SECTIONAL CENTER FACILITY BUNDLE: After all Direct and Same City bundles have been made, any other ten or more mail pieces having the same first three zip code digits must be bundled together. For example, a letter for Haleiwa, HI (96712), a letter for Kula, HI (96790), etc.). Use a green "3" adhesive label, or a facing slip reading "MIXED SCP" + the first three digits of the zip code, for example: "MIXED SCF 967".

4. STATE BUNDLE: After all possible Direct, Same City, and SCF bundles have been made, any ten or more for the same state should be bundled together. Use an Orange "S" adhesive label, or a facing slip with the name of the State written on it.

5. MIXED STATES BUNDLE: After all possible Direct, City, SCF, and state bundles have been made, the remaining pieces going to various states must be bundled together. No adhesive labels are available for marking these bundles. Use a facing slip marked "MIXED STATES".

6. MIXED APO, FPO BUNDLES: Copies to Military Post Offices must be bundled together and labeled with a facing slip, "MIXED APO" or "MIXED FPO". If you have less than 10 pieces, it can be combined with the "MIXED SCF 967" bundle.

#### UNDELIVERABLE AND FORWARDING

RETURN ADDRESS: Each piece should bear in the upper left corner of the address side, the name and address of the sender, including the street or post office box number and ZIP code. The return address may be omitted from third-class if the sender does not wish it returned if undeliverable, but it is advisable to have the return address in all cases.

RETURN OF UNDELIVERABLE MAIL: When it is desired that third-class mail be returned in the event it cannot be delivered as addressed, the pledge of the Mailer should be placed immediately under the return address. The words "RETURN POSTAGE GUARANTEED" should be used. Mail so endorsed will be returned to sender at the single-piece third-class rate, the mail will be marked undeliverable as addressed. The reason the mail is undeliverable or the addressee's new address will not be shown.

FORWARDING: Third-class mail may be forwarded where the new address is known and postage is guaranteed by the sender. The words "FORWARDING AND RETURN POSTAGE GUARANTEED" must be placed below the return address. The mail would then be forwarded to the new address. Postage for forwarding would be collected from the addressee. If the addressee refuses to pay the postage due, the article will be returned to the sender with both the forwarding and return postage to be collected on delivery.

ADDRESS CORRECTION SERVICE: The addressee's new address or the reason why a third class mailing piece is undeliverable may be obtained either independently of, or in combination with the return and forwarding services described above.

A piece weighing two ounces or less bearing the words "ADDRESS CORRECTION REQUESTED" below the return address will be returned to the sender for a charge of 25¢ with the new address or reason marked on the mail piece.

When a piece over two ounces bears the words "ADDRESS CORRECTION REQUESTED," Form 3579 attached to the address label clipped from the piece will be used to notify the sender for a fee of 25¢. The mailing piece will not be returned.

When a sender desires the return of a piece weighing more than 2 ounces, as well as the new address or other reason for non-delivery, the piece must be endorsed "ADDRESS CORRECTION REQUESTED RETURN POSTAGE GUARANTEED" or "ADDRESS CORRECTION REQUESTED FORWARDING AND RETURN POSTAGE GUARANTEED" depending on the service desired. If the mail cannot be delivered or forwarded, it will be returned at the single-piece third class rate plus 25¢ for the Form 3579 which will be attached.

A REMINDER FOR THE NEW MAILING YEAR

In the past year, the most common irregularities found in third-class bulk mail have been:

1. Mailers are not depositing money for payment of the mails presented. If your check is mailed in to the post office, it should not be mailed on the day the mailing is deposited at the post office. You should allow a day or two for the receipt and processing of the check. Mail is not released until funds are received.
2. Mailers are placing brochures and printed materials bearing permit imprints into envelopes without first obliterating the permit imprints. Brochures with permit imprints that are used as handouts must also have the imprints obliterated. These imprints say that postage has been paid on the brochure, and such imprints can only be used on actual ADDRESSED mail pieces.
3. Handwriting and typewriting are frequently appearing in material presented as third-class bulk mail. Mailers have changed times and dates and person's names in their mailing by handwriting the changes. Handwriting and typewriting appearing in bulk mail pieces is likely to re-classify the mail to first-class. Typewriting by automatic typewriter is still typewriting and material primed on an automatic typewriter is chargeable at first-class postage rates.
4. Mailers are not completing PS Form 3602, or 3602-PC, Statement of Mailing with Permit Imprints. All bulk mailers are required to complete all applicable parts of these forms. Incomplete forms will delay your mail because you will be asked to come in to complete the form.
5. REMINDER TO NON-PROFIT ORGANIZATIONS: Postal regulations state that the mailing piece of non-profit organizations must bear the name and return address of the authorized permit holder or the message must contain the name and return address of the

authorized permit holder in a prominent location. Pseudonyms or bogus names of persons or organizations may not be used. If the mailing piece bears a name and return address, it must be that of the authorized permit holder. If the mailing piece does not bear a name and return address, the message must contain in a prominent location the name and return address of the authorized permit holder.

All of these irregularities are listed in our Bulk Mail Guide that was distributed to all mailers. We are furnishing each mailer with another copy and we suggest that it be reviewed to avoid having your mail delayed or charged at a higher rate of postage.

Dear Postal Customer:

Our records indicate that your Business Reply Permit No. 4429 has been cancelled for failure to pay the 1979 Annual Business Reply Fee of \$30.

This is official notification to you that we have received business reply mail addressed to you containing the expired permit, and that it and all subsequent business reply mail will be treated as undeliverable mail unless the annual permit fee is paid.

Business reply mail received at the destination post office will be delivered to the addressee only when the business reply mail permit is in a current paid status.

If you refuse to pay the permit fee or do not reply to this letter within 10 days, all business reply mail received by our post office now or subsequently for the subject permit, other than cards, will be endorsed across the address "REFUSED - BUSINESS REPLY PERMIT NOT RENEWED" and treated as undeliverable mail in accordance with Part 159, Postal Service Manual. Business reply cards will be disposed of as waste. This applies whether or not the business reply mail has postage affixed.

To avoid having your mail treated as "UNDELIVERABLE MAIL", please submit the \$30 fee promptly.

Should you have any questions on this matter, please call 422-1411 and ask for the Postage Due clerk.

Sincerely,
