Dear Danny & Mike:

Thanks for your note concerning the upcoming Polynesian Voyaging Society fundraiser specifically the Outrigger Canoe race in which you have asked us to enter a team along with the sponsorship fee of \$200. Under normal circumstances I must tell you that we'd be absolutely delighted to work with you on the project but because of time constraints, late notice, and a wealth of other projects in the works right now, we're simply unable to do so. As much as we would like to participate, we must decline your kind offer at this time.

Thank you very much for thinking of Hawaiian Airlines. We certainly wish you the very best of success with the project.

Sincerely,

Elliot Pulham  
Director  
Public Affairs & Advertising
