Aloha Momi,

I had to go to a 1:00 P.M. at Bishop Estate. Hopefully, I will be back when you are here.

Please look thru the slides and take what you need and let me know how many. Again, if you need to look at more slides, I can arrange for you to meet Michael Tongg who has many of the 1980 slides of Hokule'a's trip to Tahiti.

If you need to call me I will be in Myron Thompson's office 523-6204.

Aloha Momi,

Sorry, I did not get to meet you, perhaps when you return the slides this cold will be gone forever!

The slide carousel contains slides from the 1976, 1980 voyages, and a few slides when Hokule'a was used in a movie in 1981. Cliff Watson's slides are in the small Kodak box.

Please choose the ones you want, and return the unused ones as soon as possible. I would appreciate you letting me know how many slides you used and approximately when they will be returned.

If you can't find the appropriate slides, let me know, and I will arrange to get other slides for you.

Hope to meet you in person.

Love,

*Maulene*
